

Year 11 Bulletin

Dates for your diary

Tuesday 18th & Wednesday 19th Art and Photography Exam

Check the bulletin for college open evenings/days

Everyone is different. Everyone is capable of great things and 'success is what you make of it'. If you don't achieve the results you had hoped for; don't be disheartened. We are all here to help you - Guardians, form tutor, subject teacher or mentor.

Put things into perspective - everyone loses out at one time or another. Use what you have learnt from the experience and change your plan.

Celebrate your successes and be really proud of your achievements!

HOW TO RESPOND TO MY RESULTS TIPS

- Be honest with yourself. If you are disappointed with your results then do something about it.
- Take ownership for the results - they are yours. You get out what you put in!
- Amend your revision plan. Revision does not stop because you have the results. Revision is on going.
- Stay positive & build on the experience.
- Fast forward to August - how do you want to feel when you open those results...? Let that drive you!
