

Bring Your Own Device (BYOD) Criteria Policy

If you wish to supply your own device, you must be able to meet **all** of the following criteria:

Battery Requirements:

- A minimum of six hours battery life on a single charge

Data Requirements:

- In order to be enrolled into Jamf, the iPad will be factory reset and all content will be erased from the tablet. We cannot accept responsibility for any loss of content that has not been backed up prior to enrolling the device with Jamf. There is a one off £25 charge to enrol the device to Jamf

Hardware Requirements:

- 9.7" or 10.2" form factor
- Supports the use of Apple Pen technology
- Mounted in a durable case of your choosing

Insurance Requirements:

- If required, this must be obtained by the supplier of the device and Clayton Hall Academy can accept no responsibility for loss or damage incurred whilst on site

Operating System Requirements:

- Capable of running iPad OS 13
- A minimum of three years of iPad OS updates guaranteed
- The operating system is fully licensed and unmodified in any way (No jailbreaking, etc.)
- Supports enrolment into Jamf and supports Remote Management

Storage Requirements:

- A minimum of 16GB storage available

User Accounts:

- Does not have any other user accounts provisioned on the device other than those prescribed by Clayton Hall Academy

I confirm that the device I will supply in lieu of the iPad program meets all of the above requirements and I am aware I will need to pay a **one-off** charge of £25 for Jamf's management solution.
